

SmartERP Corporate Leave & Attendance Policy

Document ID: HR-POL-2026-V1 | Effective Date: Jan 1, 2026 | Owner: Human Resources Department

1. Purpose & Scope

This document outlines the guidelines, rules, and procedures governing employee leave at SmartERP. It applies to all full-time, part-time, and contracted employees. The policy aims to promote a healthy work-life balance while ensuring business operations remain uninterrupted.

2. Annual Leave Allocation

All permanent full-time employees are allocated a base entitlement of ****20 days of paid annual leave**** per calendar year. Leave is accrued monthly at a rate of 1.67 days. Newly hired employees can request accrued annual leave after their first three months of service. Employees are encouraged to use their annual leaves by December 31st. A maximum of 5 unused leave days may be carried over into the next fiscal year, but they must be consumed by March 31st of that carry-over year.

3. Sick Leave & Casual Leave

SmartERP provides ****10 days of paid sick leave**** annually for recovery from personal illness or medical appointments. If sick leave exceeds 3 consecutive business days, employees must submit a valid medical certificate from a registered medical practitioner to HR. Casual leave is intended for short-term personal emergencies and requires at least 24 hours of advance notice.

4. Maternity and Paternity Leave

To support new parents, SmartERP offers up to ****26 weeks of fully paid maternity leave**** to eligible female employees, which can be taken starting up to 8 weeks before the expected delivery date. Eligible male employees are entitled to ****2 weeks of fully paid paternity leave****, which must be taken within 6 months of the child's birth.

5. Approval Process

For annual leave, employees must submit their requests via the SmartERP portal at least ****14 days in advance**** of the proposed start date. Managers will review requests based on team coverage and calendar schedules. While emergency leaves do not require 14 days notice, employees must notify their supervisor and HR as soon as possible via email or chat.
